2021 ASHRAE Sustainability Project #2

When: March 27, 2021 9:00-11:00 am

MEET IN THE PARKING LOT DIRECTLY NORTH OF THE DEVON BOATHOUSE.

Where: Devon Boathouse Shoreline
725 S Lincoln Blvd
Oklahoma City, OK 73129

We look forward to seeing everyone at our 2nd community service event! On Saturday March 27th, we will continue our annual trash cleanup of the boathouse district area along the northern shoreline of the Oklahoma River. Typically we have recovered numerous trash bags full of waste and debris form the river and dock areas. This is a great opportunity to make an impact in the community and get to know fellow ASHRAE colleagues. It only takes a couple of hours and really makes a difference.

If you are interested in volunteering, please contact:
